ADVOCACY

The wife of Hon. Ali JC has demonstrated a deep commitment to the welfare and development of the constituency. Through her advocacy, she has become a voice for positive change, championing initiatives that address critical social issues and create opportunities for growth. One of the notable efforts is the campaign to raise awareness among youth about the dangers of drug abuse and smoking. Recognizing the risks these habits pose to the younger generation and the wider community, taking proactive steps to educate and guide youth toward healthier and more productive lifestyles. Hajiya Sa'adatu has shown tremendous care for women and children through programs such as the

distribution of maternity kits to pregnant women preparing for childbirth. By providing essential supplies that mothers and their babies needed after childbirth, reducing risks and promoting healthy delivery. Hajiya Sa'adatu has actively worked to empower women, offering capital and resources to help them become self-reliant by paying some selected women tokens at the end of the month. The following pictures capture some of her impactful initiatives, highlighting her dedication to making a meaningful difference in the lives of those her husband is representing.

Campaign against Drug abuse among youths

Monthly empowerment programme for women in the constituency and teaching on self reliance

Security

Hon. Ali Isa JC PhD has done well in managing the security Agencies through the provision of utility vehicles to facilitate in the discharge of their duties. Even though he is not the chief security of the state but he has achieved great success. He has facilitated jobs for some youths in the security sector such as; Army, Police, Civil Defence, Immigration, Prison or Correctional service, Road Safety.

The community development Government Area of Gombe state. associations can bear witness and attest to various developmental strides that the honorable has provided in the constituency since assuming office. Shops were constructed in different areas, solar street lights are visible in the constituency and political positions were given to many to elevate and eradicate poverty and to give people a meaningful life through the slot of senior legislative aide (SLA) in the National Assembly. Town hall was constructed in Talasse to give ambiance to the community and to also create a centralize meeting area in Balanga and Billiri Local

Government Area of Gombe state. Boreholes in numerous, were sank in different communities in the wards to give life basic amenities to the people. Tricycles, Cars, Hand tractors, Motorcycles, Solar water pump, were gifted to many beneficiaries cut across the constituencies. Provision of earth dam construction is ongoing in some selected communities to support dry farming season and livestock development. The honorable has provided Talasse communities with rural electrification which brought succor to their over ten years neglect and abandonment.
